

## Terms of Use

The Definitions and Your Use of Your Digital Wallet are controlled by these TERMS OF USE ("Terms") and the TERMS AND CONDITIONS ("T&C") which You accepted when You activated Your Digital Wallet and began to Use RibbitRewards and Ribbit Services. If there is a conflict between the Terms and the T&C, the latter controls. We recommend that You review the T&C at [www.ribbit.me](http://www.ribbit.me).

*Please read these Terms of Use carefully! If You do not agree to any of these Terms of Use, You should not Use RibbitRewards or the Ribbit Services.*

The software which runs and controls Your Digital Wallet ("Software") which You are about to Use functions as a free, open source, and multi-signature digital wallet. The Software does not constitute an account where Ribbit.me! USA, Inc. or other third parties serve as financial intermediaries or custodians of anything of value including but not limited to your virtual currency, loyalty, rewards, gift cards, or coupon tokens.

While the Software has undergone beta testing and continues to be improved by feedback from the open-source user and developer community, we cannot guarantee that there will be no bugs in the Software. You acknowledge that your use of this Software is at your own discretion and in compliance with all applicable laws. You are responsible for safekeeping your passwords, private key pairs, PINs and any other codes you use to access the Software.

IF YOU LOSE ACCESS TO YOUR WALLET OR YOUR ENCRYPTED PRIVATE KEYS AND YOU HAVE NOT SEPARATELY STORED A BACKUP OF YOUR WALLET AND CORRESPONDING PASSWORD, YOU ACKNOWLEDGE AND AGREE THAT ANYTHING OF VALUE INCLUDING BUT NOT LIMITED TO YOUR VIRTUAL

CURRENCY, LOYALTY, REWARDS, GIFT CARDS OR COUPON TOKENS YOU HAVE ASSOCIATED WITH THAT WALLET WILL BECOME INACCESSIBLE.

All transaction requests are irreversible. The authors of the Software; Ribbit.me! USA, Inc. or any person or entity affiliated in any way; and any copyright holders cannot recover Your private keys or passwords if You lose or forget them nor can the foregoing people/entities guarantee transaction confirmation (they do not have control over the token's networks, the RibbitRewards Blockchain, or any other distributed ledger protocols).

The authors of the Software, employees and affiliates of Ribbit.me! USA, Inc., copyright holders, cannot retrieve your private keys or passwords if you lose or forget them and cannot guarantee transaction confirmation as they do not have control over the token's networks.

To the fullest extent permitted by law, this Software is provided "as is" and no representations or warranties can be made of any kind, express or implied, including but not limited to the warranties of merchantability, fitness or a particular purpose and noninfringement. You assume any and all risks associated with the use of the Software. In no event shall the authors of the Software, employees and affiliates of Ribbit.me! USA, Inc., copyright holders, be held liable for any claim, damages or other liability, whether in an action of contract, tort, or otherwise, arising from, out of or in connection with the Software.
